Unlocking potential for brighter futures

TAESS00021 FACILITATION SKILL SET

This skill set provides the skills and knowledge to work as a qualified trainer but with supervision. This is an alternative path to the full TAE40122 Certificate IV in Training and Assessing.

With this skill set, you can gain a Statement of Attainment and start working in an RTO as a trainer under supervision, adding the remaining skill sets and/ or units later to gain the full qualification.

COURSE REQUIREMENTS

We provide everything else, but to complete the practical assessments, you will need the following:

- 4 volunteers to act as your “learners” for your face-to-face group training assessment (you must conduct 3 sessions with the same 4 people) and...
- 1 additional learner (who can't be one of the other 4) for 2 individual training sessions (a total of 5 people).

IMPORTANT NOTE: These group training sessions must be in person with your learners, which you record to submit for your assessment; you cannot conduct a Zoom group training.

THE TECHNICAL CONTENT OF THE UNITS

TAEDEL411 – Facilitate Vocational Training

This unit describes the skills and knowledge required to plan, prepare for and facilitate the vocational training of individual and group learners via a face-to-face, in-person delivery mode.

It includes customising and using existing session plans and learning resources, using these plans to facilitate training, and reviewing own practice.

The unit applies to entry-level vocational education and training (VET) teachers and trainers who use training and technical skills to deliver a training base.

TAEDES412 – Design and Develop Plans For Vocational Training

This unit describes the skills and knowledge required to design, develop and document plans for vocational training to be delivered by vocational education and training (VET) teachers and trainers.

It involves identifying the objectives and intended outcomes of the training and the characteristics of the target learners, selecting nationally recognised training products, and developing the plan for training and individual session plans.

The unit applies to individuals who design training for group learning in face-to-face, online and blended vocational training contexts using nationally recognised products.

The GOAT of RTO's

FREQUENTLY ASKED QUESTIONS

Who Is This For?

This course is designed for anyone who wants to become a trainer but currently doesn't work in an RTO and has no experience working as a trainer in the VET (Vocational Education and Training) industry. It's also for anyone with a Statement of Attainment in any other TAE related skill set.

How Long Does It Take?

Most people usually take about 2 - 3 months to complete it around working full-time and juggling families and other life-related things. The more time you allow for your studies, the faster you can complete it, it's really up to you if you want to finish faster than 3 months.

Are There Flexible Payment Options?

Payment plan options are available for weekly and fortnightly direct debits from credit cards or bank accounts (on request). Details of those options are on the course page once you click "enrol", or your Course Advisor can help you work out what's best for you.

How Long Do You Take to Answer My Calls or Emails?

All emails are responded to within 8 business hours by our support team.

If we miss your call, just leave a message and we'll call you back within 4 business hours.

Can I Get This Done Faster If I Have The Time?

Yes! You can go as fast as you want. Our promise to you is that we'll get ALL your assessments marked within 4 business days.. Many others take 20 - 30 BUSINESS days to mark EACH assessment (plus resubmissions if you don't get it right the first time). Our processes won't slow you down, so how fast you graduate is really up to you!

What If I Change My Mind?

All students have a 30-day cooling-off period. If you have any issues (at any time) that's making your learning journey difficult, our support team is there to help you resolve them. All you need to do is reach out, which we encourage you to do. There isn't much they can't fix or sort out to keep you moving forward.
