TAESS00024 – VET DELIVERED TO SCHOOL STUDENTS TEACHER ENHANCEMENT SKILL SET

This skill set provides additional skills and knowledge to those already qualified as secondary school teachers, to work as qualified VET teachers in a secondary school.

You gain a Statement of Attainment with this skill set and can start teaching and assessing VET courses immediately, without supervision

COURSE REQUIREMENTS

You must hold a Bachelor of Education degree or higher and be able to register in your current state as a secondary teacher.

With the TAEASS412 assessment, you will need to assess 3 candidates, so you can use your current students for it as long as they are enrolled in a VET course. This is what we call a "work-based pathway".

If you're not currently working in a secondary school and don't have VET students to use for the assessments, you need 3 people to act as candidates for you to complete the assessment. These can be friends or family, and this is what we call a "simulated pathway".

If you choose the Ultimate support package, you can attend the TAEASS412 workshop where your 3 candidates will be role-played by other classmates, meaning you do not need to source them yourself!
